Portfolio | 7816074525 | vinjamurichandrasekhar123@gmail.com | Github | LinkedIn

PROFESSIONAL SUMMARY

Aspiring Software Engineer with hands-on experience building responsive web applications and database-driven solutions using Python, Flask, JavaScript, and MySQL. Skilled in developing interactive user interfaces, implementing REST APIs, and designing relational databases. Proven background in operational execution with strong analytical, debugging, and problem-solving capabilities.

SKILLS

- **Programming Languages:** Python | SQL | JavaScript (ES6+) | HTML5 | CSS3
- **Backend & Web:** Flask Framework | REST APIs | Web Architecture | JSON Data Handling & Parsing
- **Databases & Analytics:** MySQL | Relational Database Design | Power BI
- **Developer Tools & Testing:** Postman (API Testing & Debugging) | Git / GitHub | VS Code | Vercel / AWS
- **Core Concepts & AI:** DSA | OOPs | AI/ML Fundamentals | LLMs | Chatbots & Conversational AI
- **Methodologies & Soft Skills:** Problem Solving | Debugging & Troubleshooting | Logical Thinking | Analytical Planning | Communication | Curiosity & Willingness to Learn

PROJECTS

Smart Office Digital Twin Automation | Python, Flask, MySQL, HTML, CSS, JavaScript

- Built a web dashboard to monitor office operations, task status, and employee data in real time.
- Integrated Flask backend with MySQL database using REST APIs for seamless data operations.
- Structured efficient database tables and queries to manage operational records accurately.

EV Charging Station Simulator | HTML5, CSS3, JavaScript (ES6+)

- Built an interactive EV charging simulator with real-time battery status animations.
- Applied JavaScript state logic and event listeners to manage user actions and status updates.
- Formatted a high-resolution, full-viewport UI layout tailored for web presentations.

Cinematic AI Chatbot Interface | HTML5, CSS3, JavaScript

- Designed an animated chatbot UI featuring CSS transitions and dynamic user chat flows.
- Utilized asynchronous JavaScript to handle real-time chat responses and UI rendering.
- Managed modular source code using VS Code and Git for organized project versioning.

WORK EXPERIENCE

US Staffing Operations Executive

May 2024 – Present

Smart Client US IT Innovations

Guntur, A.P

- Managed, calculated, and processed monthly payroll records and customer invoicing with strict operational accuracy.
- Utilized reporting tools and spreadsheeting methods to process complex timesheet data and resolve discrepancies.
- Collaborated with internal teams and external consultants to streamline daily workflow tasks and cross-functional communication.

EDUCATION

B. Tech – Electrical & Electronics Engineering | NRI Institute of Technology, Guntur | 2018 – 2024 | 65%

Intermediate – MPC | Narayana Junior College, Guntur | 2016 – 2018 | 79%

SSC | SKSMC High School, Guntur | 2015 – 2016 | 70%

CERTIFICATIONS

Python Full Stack Development – NxtWave

Python Essentials I & II – Cisco

Python Certification (5 Star) – HackerRank
